

New: New Zealand coding standard now fully integrated and compliant in WinCan Version 8

Our developer team finished the full integration of the New Zealand coding standard:

- ✓ Full integration of the New Zealand coding standard 3rd Edition 2006
- ✓ Full integration of the grading system of the NZ standard
- ✓ Full integration of Hansen/Netztek Im- and Export for New Zealand
- ✓ Full integration of the reporting compliant to the NZ coding standard
- ✓ CSV Export for Christchurch available

The WinCan customer **Vid-Pro Services** Ltd in Brixton, New Plymouth, Taranaki is successfully using the full range of functionality of WinCan Version 8 to deliver their services with the professional viewer package of WinCan. This viewer package does not need to be installed and is free of charge.
